Registration for Asia Clean Energy Summit is now open!

The Asia Clean Energy Summit (ACES) proudly commemorates its 10th anniversary, marking a decade of unwavering commitment to fostering sustainable energy solutions and driving the region's transition to a low-carbon future.

Over the years, ACES has emerged as the leading platform for dialogue, collaboration and action among industry stakeholders. In celebration of this milestone, ACES is thrilled to unveil a revitalized logo and brand identity that captures the essence of its progressive vision.

ACES held the launch of the new logo with the presence of Senior Minister of State Dr Amy Khor. The new logo symbolizes ACES's forward-thinking approach and its determination to embrace the future of clean energy - reinforcing its commitment to drive energy transition and sustainable development in Asia, under the auspices of its new brand identity.
